

CONVENTION PEOPLE'S PARTY

National Headquarters, AG.No. 25, House No. 64, Mango Tree Ave., Asylum Down, Accra, Ghana

DECISIONS OF CENTRAL COMMITTEE ON 21/04/22

1. The Central Committee of the Party (CC) resolved that the breach of Article 93 (e) of the Party Constitution can only be rectified by carrying out a mandatory run-off between the two candidates who obtained the highest number of votes to select a winner as prescribed by Article 93 (f) of the Party's Constitution.

That the chairmanship elections of 22nd of August, 2020 did not produce a validly elected Chairperson and Leader for the party as the leading candidate received only 43% of the total votes casted which does not qualify her as the Chairperson and Leader of the party.

That the unanimous decision of the CC is to set aside Comrade Akosua Frimpomaa Sarpong-Kumankumah as the Chairperson and Leader of the party as she did not make the mandatory threshold of 50% or more of the total valid votes cast, and thus was sworn-in in error and in clear breach of the party's constitution.

This error has been admitted and accepted by the Chairman of the Interim Organizing Committee of the 2020 internal elections Senior Comrade R. O. Frimpong Manso. Additionally no vote was taken at Congress to waive the constitutional provision requiring 50% or more threshold and replaced it with a simple majority vote threshold.

Numerous petitions and Court actions have also entirely disruptes the smooth running of the Party.
