# JAIL BREAK IN ABUJA, NIGERIA

GHANA IMMIGRATION SERVICE

**HEAD OFFICE** 

Off Ako Adjei Interchange,

No 7 Mozambique Link Ridge

PMB, MINISTRIES, ACCRA:

**DATE**: 8<sup>TH</sup> JULY, 2022

Nigeria recorded another jail break at the Kuje Maximum Security Prison in Abuja on Wednesday night 6<sup>th</sup> July, 2022. Official reports indicate at least 443 out of 879 inmates that escaped as a result of the break are still on the run.

It is believed that the Jihadists group Boko Haram are behind the attack which saw the use of high end explosives and guns, that freed all 64 Boko Haram linked inmates at the prison and are among the escapees who are still on the run.

Considering current migration trends of Nigerians within the sub-region, it is likely most of the escapees will attempt to enter Ghana through both approved and unapproved routes. In view of the above, I am directed to inform you to institute stringent measures at all Points of Entry and intensify patrols to deter and intercept all escapees who will attempt to infiltrate the country.

Find attached pictures with names of the escaped Boko Haram suspects.

Please treat as urgent.
