## PRESS RELEASE

Patriots for Ghana is calling on all dissatisfied and disappointed NPP members to speak-out against the insensitivity of the Akufo Addo-Bawumia Government towards the economic hardship in the country.

The Patriot for Ghana Movement is championed by a group of objective and patriotic minded Ghanaians who were or are once members of the NPP party but now dissatisfied and disappointed with the New Patriotic party and the Akufo Addo-Bawumia led Government Owing to the reasons as follows:

1. The self-imposed leadership been orchestrated by some National, Regional and Constituency party executives in the ongoing party elections to the extend of gross impunity to disregard the NPP's constitution and legal processes, all in the focus of capturing the Party for the Akufo Addo-Bawumia cohort.
2. The negative use of the NPP brand for state capturing in the parochial interest of the family and friends in the Akufo Addo-Bawumia government.
3. The deliberate neglect of competent patriotic party members who may put the interest of the country first from the Akufo Addo-Bawumia led government.
4. The gross substantiated state asset grabbing nature of most friends and family and appointees of the Akufo Addo-Bawumia led NPP government.
5. The deliberate mismanagement of the country's economy that has led Ghana into bankruptcy for IMF bailout.
6. The automatic disqualification and sponsored dethronement of key competent party members during the party's parliamentary primaries without recourse to the party's constitution, which act, subsequently rendered the party into woeful defeat in the 2020 parliamentary elections.

In light of the above stated reasons, some dissatisfied members of the NPP party in the likes of Hon. Kennedy Agyapong, Dr Richard Amoako Baah, Mr. Kwame Piani, Dr. Authur Kennedy, Dr. Nyaho Nyaho-Tamakloe and many others have put their patriotism above their love for NPP in their recent public statements which condemns the bad practices in the Akufo Addo-Bawumia government.

By this release, we call on all dissatisfied Members of the New Patriotic Party from all the regions, constituencies, the locals and the foreign branches to come on board to champion a worthy course.

It might be too late to save Akufo Addo-Bawumia's NPP, but not too late to save Ghana.

Patriots For Ghana, we say: Be a patriotic citizen not a spectator
