Dear Sir,

PALESTINE SOLIDARITY:100+ CAR PARADE

This is to serve notice in compliance with the Public Order law, that our two organisations are planning a 100+ Car Parade, in solidarity with the people of Palestine facing genocide under Zionist apartheid colonial occupation of Israel.

It is our plan to mobilise 100 cars carrying the flag of Palestine to drive from the university of Ghana (Legon) traffic light from 9:00 am on Saturday, June 8th, 2024, to the Heart Park on the Professor John Evans Atta Mills Highway.

The Parade will move on the independence Avenue and turn left at the National Theater through the ministries Police station to the Hearts Park.

We are hopeful that we will enjoy the full co-operation of your command.

Very Best Wishes

Kwesi Pratt Jnr.

for Organisers.
