Dear Comrade,

CONGRATULATIONS

On behalf of the leadership and the entire membership of our Movement, we wish to congratulate you on your victory in the just ended elections.

Your victory is undoubtedly a victory for the stand we have taken in supporting national liberation struggles throughout the world including the Saharawi peoples quest for self-determination and the struggles of the people of Palestine against colonial and apartheid occupation.

The people of Islington North and you have demonstrated that it is possible to mobilise and win against underdevelopment, injustice, poverty and war.

Please accept our strong solidarity.
