The Vice-Chancellor  
UEW  
Winneba

Dear Sir,

**DECLARATION OF STRIKE**

I write on behalf of the rank and file of the Senior Staff Association-Universities of Ghana (SSA-UoG) UEW Chapter, to inform your high office of our strike action declared by the National Executive Council on Monday 16<sup>th</sup> September, 2024 (copy attached).

This has become necessary due to the following;

1. Failure of government to pay the new rates of the Vehicle Maintenance and it related allowances even though an agreement has been reached
2. Failure of government to release our Tier-2 deductions to our Fund Managers since January, 2024
3. Failure of government to recalculate the interest on our Tier-2 pension funds from 2010 to 2016.

We therefore direct all our members to withdraw their services with immediate effect until further notice.

Thank you.

Yours faithfully,

**Isaac Donkoh**  
**SSA-UoG - Chairman**
