**CONGRATULATORY MESSAGE ON THE OCCASION OF THE 10TH
ANNIVERSARY OF PANAFRICAN TV**

Dear Comrade,

As the renowned German playwright and poet Bertolt Brecht once wrote: *"Some men fight for one day and they are good. Others fight for a year and they are better. There are those who fight for many years and they are very good. But there are those who fight all their lives: these are the indispensable ones."*

Our National Hero, José Martí, also reminded us that: *"All the glory in the world fits within a grain of corn."*

These timeless reflections capture, perhaps better than any words of our own, what you represent to us, to patriotic Cubans, and to all those who have had the privilege of knowing you.

Although we have the honour of conveying this message today, we do so on behalf not only of the current staff of the Embassy of Cuba in Ghana, but also of every Cuban Ambassador, diplomat and official who has served in this Mission and whose path has crossed yours. We all share the same profound admiration and affection for a man whose integrity, humility and unwavering commitment have earned him the respect of all who know him.

You are one of those indispensable people Brecht spoke of. Day after day, with honesty, courage and remarkable consistency, you defend truth without hesitation, speaking with conviction, looking people in the eye, whether on television or in

everyday life. In a world increasingly dominated by misinformation and convenience, your voice has remained principled, fearless and deeply human.

It is therefore a great honour and a genuine pleasure for the Embassy of the Republic of Cuba to extend to you our warmest congratulations on the **10th Anniversary of Pan African TV**.

Over the past decade, Pan African TV has become far more than a television platform. It has become a true bastion of progressive thought, a trusted space where ideas are debated with honesty, where the voices too often ignored find a home, and where the struggles for justice, dignity and solidarity are given the visibility they deserve. At a time when the world often appears to have lost its moral compass, Pan African TV has remained steadfast in defending the values that unite all those who believe in a fairer and more humane society.

For us, Pan African TV has also been something deeply personal. Whenever we walk through its doors, we leave renewed—filled with hope, optimism and fresh determination. Many times, we arrive carrying the weight of difficult days and demanding responsibilities, yet we invariably leave encouraged by your generosity, strengthened by your wise counsel, inspired by your unwavering solidarity and honoured by your sincere friendship. Above all, we leave reminded that true greatness is inseparable from humility.

Pan African TV is more than a media outlet; it is a home for ideas, a meeting place for principled voices and a safe harbour for all those committed to defending the interests of the oppressed. It stands as a constant reminder that the most powerful weapon in the struggle for justice has always been, and will always be, **the Truth**.

Please accept our heartfelt congratulations, not only for yourself but also for the outstanding young team that has had the privilege of growing under your leadership.

Their dedication and professionalism are a reflection of the values you have instilled from the very beginning.

History will remember Pan African TV not merely for what it reported, but for the principles it never abandoned. In times when silence was often more convenient than truth, your voice chose courage, and Cuba will always remember that."

We sincerely wish that Pan African TV will continue to flourish for many years to come, remaining a beacon of truth, justice, dignity and Pan-African solidarity for Ghana, for Africa and for all peoples who continue to believe that a better world is possible.

Thank you, dear Comrade, for your friendship, your solidarity with Cuba and your unwavering commitment to the causes of the peoples of the world.

Please know that whenever the history of friendship between the peoples of Cuba and Ghana is written, your name and that of Pan African TV will occupy a place of honour."

As **Che Guevara** so memorably said: **Hasta la Victoria Siempre!**
